Kid-friendly Fun

LOOK FOR THE KIDSIDERATE SYMBOL THROUGHOUT THE PARK FOR KID-FRIENDLY RIDES, ATTRACTIONS, SHOWS AND CULINARY DELIGHTS CREATED ESPECIALLY FOR KIDS AGES 9 AND YOUNGER

Especially for your little ones

KIDsiderate rides and games are sprinkled throughout the entire park, but two areas are designed just for the little ones:

- **Sesame Street® Forest of Fun™** is the place to meet some of Sesame Street's most beloved characters, like Elmo and Big Bird.
- **Land of the Dragons®** is a magical play area designed especially for kids. Featuring a Ferris wheel, a three-story tree house and tons of fun for little ones.

Child Swap

This is a great way to let parents take turns riding with their children. Simply notify the ride conductor to do a "child swap" ride. Then one parent can wait with any children who are not riding while the rest of the family can climb aboard. After one parent exits the ride, the second parent can enter through the exit and board the next available seat without having to return to the back of the line.

Height Check

Visit our Height Check Station in England, where budding coaster enthusiasts will learn which rides they are tall enough to ride this year to meet safety requirements.
