

The most affordable way to enjoy the benefits of Membership.

Low monthly payments • No interest • No Finance charges

### What is EZpay?

EZpay is a simple monthly payment program designed to increase the affordability of Membership for individuals and families. It is available for California Residents only. A commitment period of 12 or 24 months is required. Credit card holder must be present in order to redeem EZpay vouchers.

### How does it work?

#### **Billing**

There are no bills to keep track of, no checks to write. Your credit card is automatically billed every month for the life of your Membership.

#### **Early Payment**

If you want to pay off your entire EZpay account before the commitment period is over, you can do that at the park or by calling (800) 257-4268.

#### **Cancellation**

You may only cancel your EZpay account after your commitment period has ended. Cancellation of your EZpay Membership after the commitment has been met is the responsibility of the Member.

### Do I need to renew my EZpay account when my Membership term ends?

No. We like to keep EZpay easy. After you have met your commitment, your Pass will automatically roll over to a month-to-month Membership that can be cancelled at any time.

### Are there any finance charges connected to EZpay?

No. EZpay is a courtesy service intended to make Memberships at every level affordable for everyone, so we do not charge interest or finance fees.

### Will my monthly payment ever increase?

Not during your initial Membership commitment period. After your commitment ends, if your payment increases, you'll be notified and offered the opportunity to cancel.

### Can I make changes to my Membership after signing up for EZpay?

Absolutely. Just visit the park, go to SeaWorldSanDiego.com, or call (800) 257-4268. Here are some guidelines for changes:

**Upgrades:** You can switch to a higher value Membership at any time. We'll simply adjust your monthly payment and issue you a new card.

**Downgrades:** You can only switch to a lower value Membership after your commitment term has been completed. The same applies to removing members from your account.

**Credit Card Changes:** If you switch credit card companies or if your credit card is lost or stolen, you can change the credit card number of your account at any time.
